Vendors & Authors

This is the place to view and purchase all the newest tools available to cake decorators, plus all your favorite tools of old. Cutters, molds, stencils, rollers, cake stands, the list is endless; satisfy all your decorating needs here! Not only will vendors from around the world be selling their products, but many will be doing demonstrations at their booths and will welcome your questions. Here's your chance to receive advice and tips from the best! You will also have the opportunity to meet the authors of your favorite sugar artistry books, and have them autograph your books and videos.

Demonstrations

Over 80 informative demos are planned in many different categories and levels of cake decorating and sugar art, including beginner, intermediate and advanced. Skilled and experienced demonstrators will be teaching special techniques, including gum paste flowers, buttercream decorations, rolled fondant, airbrushing, candy making, cookie decorating, string work, wedding cake construction, chocolate tempering, plus much more!

One Day Shopper's Registration

For those who can't spare the time to attend the entire convention, you may purchase a One-Day Shopper's Registration for \$50, which includes entry to the Vendors area and the cake room. Please note that this registration does not include access to demonstrations.

Visit Nebraska!

Visit Omaha and you will get a taste of what the Heartland has to offer. A dynamic riverfront area with free summer concerts, a historic shopping and dining district, a world-class zoo, museums, performing arts and more make Omaha a first-class destination. The ICES convention will be held at the Qwest Center, a state of the art facility located in the heart of downtown Omaha within walking distance of many local attractions, including the Heartland of America Park and Fountain.

Qwest Center

About ICES

The International Cake Exploration Societe (ICES) is a nonprofit organization dedicated to the promotion of cake decorating and sugar arts. ICES was founded in Monroe, MI in 1976 at the National EXPLO Cake Show sponsored by Betty Jo Steinman. The organization currently has more than 4,000 members including amateur, professional and master decorators, teachers, authors, shop owners, wholesalers and manufacturers.

Meetings and "Days of Sharing" are held throughout the year in individual states. Annual conventions have been held coast to coast from California to New York, from Florida to Washington. The 2008 Convention and Show will be held in Orlando, Florida.

ICES members receive 11 international newsletters each year, as well as regional newsletters. Newsletters keep members informed of upcoming events and classes, and include member's cake photos, recipes and other information associated with cake decorating and sugar art.

If you wish to receive further information about membership, go to www.ICES.org or contact Gayle McMillan at 4883 Camellia Lane, Bossier City, LA 71111, (318) 746-2812, e-mail: gvmcmillan@aol.com.
